

FREEDOM IS THE CRIME THAT CONTAINS ALL CRIMES

THE WRITINGS OF OS CANGACEIROS ✱ VOLUME ONE

OS CANGACEIROS was a group of delinquents with nothing but contempt for the self-sacrificial ideology practiced by “specialists in armed struggle”. This uncontrollable band of social rebels wreaked havoc on the French state by attacking the infrastructures of oppression, supporting popular revolts, stealing and releasing secret blueprints for high-tech prisons, raiding the offices of corporate collaborators, and creating their lives in complete opposition to the world based on work. This volume, translated by Wolfi Landstreicher, is the first collection of the writings of Os Cangaceiros in English.
